ABOUT THE WINERY

Fin Wines is located on the lands of the Wurundjeri people of the Kulin Nation, who are the Traditional Owners and custodians of this land. We recognize their continuing connection to land, water, and culture. We pay respects to Elders past, present, and emerging.

We pay our respect to the Traditional Owners of all the Aboriginal countries across Australia from where we source our fruit and ingredients. Fin Wines, a fermentation collective, launched in January 2020 with a range of wines, ciders and piquettes. Fin Wines is producing young, fresh and most importantly fun drinks with an emphasis on drinkability. We are doing this a very lo-fi way in terms of minimal additions, no filtering, spontaneous fermentation, with minimal faffing in the winery.

Fin Wines consists of JonJo McEvoy, Oliver Johns, and Angus Hean. Fin was organically conceived, born of our love for tasty wines and ciders.
