

Recerca & Zulu Vins

ROUSSILLON · FRANCE

REGION	Roussillon
--------	------------

ABOUT THE WINERY

Zulu vins is half negoce, half curatorial project from Jess Alberio and Laurent Pujol of Recerca. They create and distribute collaborative wines with esteemed friends/growers (including Tom Lubbe, Alain Castex, Meli Ligas, and more). Their project spans Southern France, the Loire Valley and as far flung as Greece. They operate almost like an independent record label, releasing one-off singles by some of their favorite artists.
